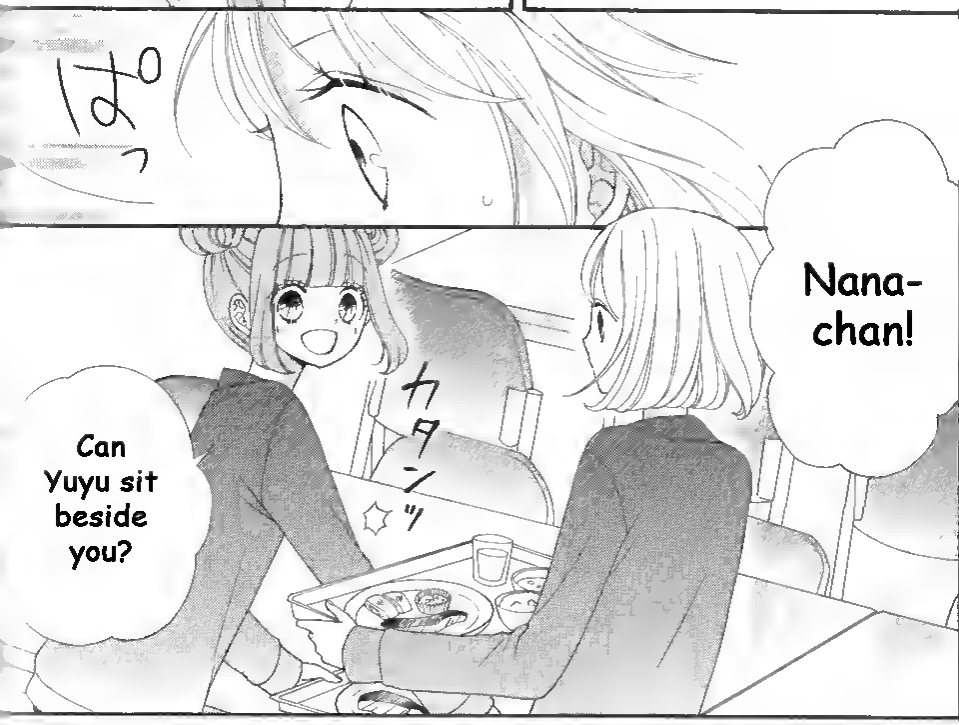
I couldn't sleep well...
Today is

the last day of the overnight orientation
By the way, Yuyu-chan
Yesterday before the light-off time, where did you go?
and we thought we were gonna having a love story convention
When is it again? The breakfast assembly
At 8~
...Secret ♡
Last night,
ドキン
Eeeeh~~~ What is it~
How suspicioouus~~

She returned at the light-off time, but
I saw Yuyu and Shioka-kun sneaking out together
I wonder what they were talking about...
with just the 2 of them



Nana-chan!
Can Yuyu sit beside you?

.....Ah
When I'm thinking about yesterday
I want to sit at the corner,
so I'm going to sit here
たっ

I'm worried something will happen again
Let's, let's~
Yuyu wonders if we should sit near each other today
Ah!
Nana-chan!
Let's...
You 2 can sit here!
Now, being near Yuyu is... scary
I'm going to sit at the behind

Eeh,
what the heck was that, how hateful

Even though Yuyu-chan is doing her best to make up...
Yeah~

Poor Yuyu-chan
Whether I'm near Yuyu or not,
the condition keeps becoming worse

First, chaose yaur candles
Ah, this is cute..

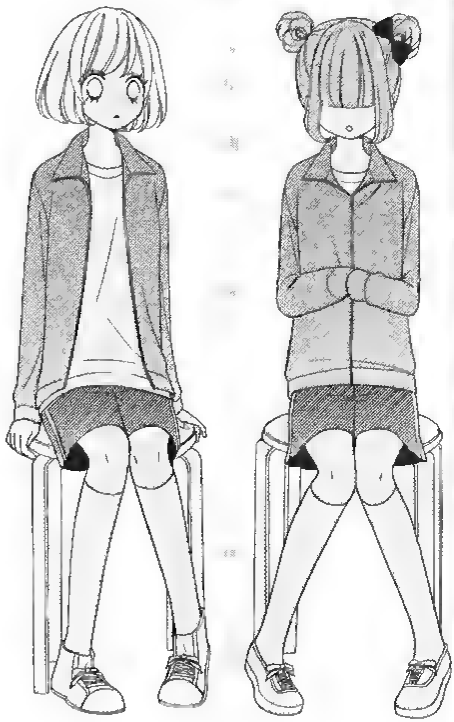
Are?
This one is cute, right ♡
Somehow...
She's copying me....?
Our candles... Aren't them alike?
ひょい
Is that so~

Every of it is irritating me...
Somehow, I don't like it
By the way, Shiaka
Yesterday before the light-off time,
where did you go?
...No-where

Not fair~!
Before we realized, you've disappeared alone
Eh
Eh
So perhaps!?
just kidding
Before the light-off time, Yuyu-chan was also disappeared, right?
geh
W- we weren't!
You two were sneaking out!?
Kyaaa~
I've already thought you two were suspicious, actually
Eeh~ For real!?

Eeh~
Liar~!
doesn't care
It's true, it's true
Yuyu just accidentally met with Shioka-kun then we were talking a little!
Really...?
No way it's just that~
カタ
Yuyu was only
ne!
consulting to Shioka-kun

about the same thing with what Yuyu said to all the girls last night



The same

"Maybe, Yuyu"

"is being hated by Nana-chan, perhaps"
"At the curry, and at the firework too"
"Yuyu wonders if Nana-chan was purposedly being mean"
thing...?
Why you....

Ah

Yuyu's candle.....!
thinking what should Yuyu do,
so Yuyu can make up with Nana-chan
...Yuyu is only
The candle too... Yuyu wanted to matching Nana-chan for that

Why
There's no time for making it again
This is can't be helped anymore...
Uwaa~
I didn't do it on purpose...!
What's up?
Kuriyama-san broke Yuyu-chan's candle
If no matter that I say,
N-
No...!
no way~
Eh
Yuyu wonders if Nana-chan didn't like it...

Kuriyama-san!
Eh...
She really did it on purpose?
and no matter what I do,
it won't reach them,
then for what I've been trying my best for?

Oi, what's happened!?
She's being running away,
then that means it's the truth, right?

Don't you think Miki's meat is funny?
I wander if the meats are grilled well
So looking forward for it~
「A ha ha
Eh, why I am hiding...
Gomee~n
Oma-tase~!

Ah,
that girl
has the same hairstyle with me when first entering the middle school
Even though I wanted to stop to being my weak self
that I even cut my hair
I wonder how many times
I've stopped along the way

But if now

I stop telling them what I want to say,

then every misunderstanding will be truth

Even if it doesn't reach them,

even if there is no one believes me,

I want to clear this feeling that I have in my heart

I still have something that I can do...!

Eh, then,

the firework and the curry too, everything was done by Kuriyama?

Let's go
For real!?
Girls are scary!
わぁ
わぁ
It's as I thought...
ドキッ
ドキッ
ドキッ
It's okay
Ano saa,

No matter what, suspecting only Kuriyama like that, it's too much, you know?
Kojima too
When you were consulting to me you said this too

is she someone who can do things like these with fine?
He's there,
"Your beloved Nana-chan" that you said,

the only one person,
who believes me
Kuriyama-san!?
Eh...
Yuyu,
gomen-nasai!

I didn't properly apologize to you about breaking your candle...
But,
I didn't do it on purpose
Something like hurting Yuyu on purpose, I will never do that!

...It'll never be the replocement of your condle but,
I'll give mine to Yuyu
Eh
So, which one is it?
On purpose or not?
It's fine whatever it is, isn't it
.....

won't change easily, but
The air
Kya ha ha
Then disband
.....
Bye-bye
Ah
Bye-bye!

little
by little
Shioka-kun
wait!
Ano,
today...
Ah
Yau came at the right time
Eh?

Here
You girls seem having so much fun when creating this too
I don't need it, so I give it to you

Some-
how,
it's
like a
reward
Arigatou...
Ah,
I also want to say thanks for standing up for me today
I was just saying whatever in my mind
Well, it will be solved by its own, won't it

Kojima too, it's likely that she doesn't hate you either, Kuriyama
...Yuyu
キン
She hates me... I think

Even if I tried to make up,
That
I wonder if she's on purpose making it hard for me..
is the same thing that Kojima said to me

At the end,
you two are alike aren't you?
Ah.....
Haa~h
How trouble-some
